PCN DES services specifications

We received over 700 responses to our recent survey on NHSE's published draft specifications in just one week, with 88% feeding back that they would decrease PCN stability, and 94% saying that they would decrease practice financial stability.

Workforce survey findings

Thank you for supporting our December workforce survey. We had a great response from 388 people working across 328 GP practices and are now able to share some of the data.

Analysis: what would the PCN DES services specifications mean for you?

Dr Elliott Singer, LMC Medical Director for North East London crunches the numbers on what practices would be expected to do if the PCN DES services specifications were implemented.

Media and public affairs round-up

On 17 January Dr Michelle Drage, our Chief Executive, spoke to the NHS Networks podcast. On 16 January, Michelle was quoted in a GPonline article on the decision to call a Special Conference of English LMCs to debate the PCN DES. On 9 January Michelle was quoted in a BMJ article covering how the number of contractual sanctions being issued to GP practices are on the rise.

We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. If you have an example of general practice doing something well which could make a news story please get in touch. We also support practices that are approached with media requests. You can find details [here](#).

Practice Index and Surgery Connect.
