Campaign: general practice is open

Through October we have been running a social media video campaign to show GP practices are open to patients who need to be seen in person and to encourage more people to seek help for cancer symptoms.

Remember to use BEAM to LMC to highlight the pressure you are under

Our BEAM to LMC mobile app, which enables you to tell us about the pressures you are under from commissioners and others, is proving popular. Make sure you check the app for push notifications.

Media and public affairs round-up

On 7 October Dr Michelle Drage, our CEO, was quoted in the Independent, Telegraph, Metro and numerous other publications, following on from a Pulse story on practice closures which Michelle was also quoted in. On 1 October, Kathryn Yates, our Director of Primary Care Nursing and Workforce, Training and Innovation was quoted in Management in Practice speaking about our General Practice Management Training Programme. We continue to be very active in promoting the interests of London GPs and practice staff on Twitter, Facebook and LinkedIn. If you have an example of general practice doing something well which could make a news story please get in touch. We also support practices that are approached with media requests. You can find details [here](#).

The Buying Group is available to all London practices and gives access to discounts on a wide range of goods and services from Miab, MidMeds, Practice Index and Surgery Connect.

Contact buyinggroup@lmc.org.uk or visit the [Covid-19 supplies update](#) for further information on flu vaccine, PPE and other infection control supplies.

Got a story? Email us at comms@lmc.org.uk. Deadline for next month's submissions is 11 November.
