Chair: Dr Sidhartha Datta

1. LMC Elections 2018 – Speaking up for general practice

Would you like to make your voice heard and speak up for general practice in Ealing? This year, for the first time, all LMC seats are up for election. There are 9 places available for a 2-year term on Ealing Local Medical Committee, which is a sub-committee of Ealing, Hammersmith & Hounslow LMC.

Who is suitable for this role? Any GP working in Ealing willing to represent Ealing GPs, whether partner, employed, locum, new entrant or trainee. New talent is especially welcome.

Nomination packs are available at www.ersvotes.com/londonwidelmcs. **The deadline for submitting your nomination is 5.00pm, Friday 1 June 2018.** This should include the names of two supporting GPs in Ealing.

The website also includes information on [roles and responsibilities for LMC members](#) and a helpful '[frequently asked questions](#)' document. Further information on the elections is available by contacting our elections team at lmcelections@lmc.org.uk.

4. Hospital contract monitoring and GP workload

Ealing LMC is working to ensure that secondary care providers' compliance with the standard hospital contract remains high on the CCG's agenda as members and constituents report ongoing concerns.

Practices have recently reported that Ealing Hospital Renal Unit has been inappropriately referring patients to the GP for dressings. These and all other instances of inappropriate work transfer should be reported to the CCG using the [service alert form](#), and returned to EALCCG.servicealert@nhs.net.

Letter templates designed to save you time when responding to frequent requests are available from Londonwide LMCs' State of Emergency resources.

5. BEAM to LMC

Londonwide LMCs have launched a [new tool](#) to help hard-pressed GPs and practice teams highlight the pressure they're under from commissioners and others by taking control of their workload and sharing those requests in real time.
