ADHD Shared Care arrangements across West North London ICB

Dear {{ contact.FIRSTNAME }},

You may have received the [WNL ICB ADHD holding statement](#).

We would like to remind you of our guidance on safe working practice which includes information on shared care which can be [accessed here](#).

Shared care should not mean that the trust is transferring the care of a patient solely to the GP.

If you have any queries or concerns regarding this matter, please contact us.

Kind regards

West and North London LMCs Team
